Increase rate of Catholics from 2009 to 2010 : 1.7 %

Number of Increase of Catholics from 2009 to 2010 : 85,497

1. Catholics' figure of the Military Ordinariate represents the total number of Catholics belonging to the Military Ordinariate regardless their original dioceses.
2. Difference between the total number of Catholics who moved from their original dioceses and that of those who registered in their new parishes of the other dioceses(*) is added to the total number of Catholics (cf. adjustment line). (* In Korea, when the Catholics move to new parishes, they are to be registered on Liber Status Animarum. In this process some may not be registered in their new parishes for various reasons.)
